BALLABROOIE,
HIGH GROUND,
BANGALORE.

21st August 1918.

Your Highness,

With reference to Your Highness' demi-official letter dated the 25th July 1918, I enclose herewith, for Your Highness' kind perusal, letter dated 19th August from Mr. Denham stating that the Marimallappa's School Committee decided by a majority of 6 to 4 that they were not inclined to modify their decision that Mr. Venkatakrishnayya should retire at the end of August 1918.

The Marimallappa's School is a State-aided institution which has been in receipt of a grant from public funds for many years. The Committee have also asked for Government help in an other way, viz., the loan of the services of an officer for the post of Head Master. The institution gives instruction to large numbers of students in the capital and it is desirable that the affairs of such an institution should be managed efficiently and by a responsible committee. The present committee do not seem to realise the responsibilities of their position in showing such scant regard to the suggestion of Government.

Should Your Highness decide that any further action

should be taken, I will move in the matter.

Your Highness's obedient servant,
M. Visvesvaraya

His Highness
The Yuvaraja of Mysore, G.C.I.E.
